GOVERNOR

To: Nikhil Agrawal and Tejas Waikar

Dear Nikhil and Tejas,

On behalf of the State of New Jersey, it is my pleasure to congratulate and recognize you both on your work to promote health and nutritional literacy with the ProVita app.

Through your technical knowledge and perseverance, your collaborative efforts helped develop a nutrition and health app that answers a question most diet trackers ignore: "Should I eat this?". For people managing conditions like high blood pressure or diabetes, generic nutrition advice often falls short. In co-building a tool that helps others make healthier choices, you've shown the innovation and care for others that make our State so special.

Thank you for helping to encourage the students who come after you to use their talents to make a difference in the lives of others.

Keep reaching for your dreams, and best wishes for continued success in all your future endeavors.

Sincerely,

Mikie Sherrill
Governor
